00:00:00.00

The image shows a video editing application interface. At the top left is a red square logo with a white 'K' inside a circle. The main interface is dark grey. On the left side, there is a vertical toolbar with icons for undo, redo, share, settings, volume, and play/pause. On the right side, there is a circular menu with a central camera icon and four segments: Media Browser (folder icon), Layer (stack of layers icon), Audio (musical note icon), and Voice (microphone icon). Below this menu are icons for a storefront and a play button. At the bottom, there is a timeline with a play button and time markers. A large red-bordered box at the bottom right contains the word 'TIMELINE' in white capital letters.

The image shows a video player interface. At the top, the status bar displays the time 10:21, a battery level of 60.15%, and the word 'Selesai' (Completed). The video player itself has a dark background. A large black rectangle with a red border is centered on the screen, containing the text 'LAYAR TAMPILAN DARI TIMELINE PROJEK KAMU' in white, bold, uppercase letters. To the right of this rectangle is a circular menu with a red center and four red arrows pointing to 'Media Browser', 'Layer', 'Audio', and 'Voice'. Below the video player, there is a red progress bar showing '00:00:00.0' and a play button icon. The bottom right corner shows a timestamp of '00:00:00.00'. On the left side, there are several icons for video controls: a refresh icon, a play/pause icon, a volume icon, and a full screen icon.

Detailed description: This is a screenshot of a mobile application interface, likely a video player or camera app. The top status bar shows the time 16:54, notification icons, signal strength, and a battery level of 27%. The main area is a dark grey/black rectangle. On the left side, there is a vertical toolbar with icons for camera, zoom, and volume. On the right side, there is a large red circular control panel with a central white circle containing a refresh icon. The red panel has 'Camera' labels on the left and right sides. Below the red panel are icons for a share function and a play button. At the bottom, there is a red pill-shaped button with the text '00:00:00.0' and a red vertical line extending downwards from it. To the right of this is a grey pill-shaped button with the text '00:00:00.00'. At the bottom left, there is a back arrow icon.

The image shows a video editing application interface. The main preview window displays a scene with a silver mobile phone on a dark, textured surface. In the background, there is a green plastic basket and a white cup. The interface includes a top status bar with the time 15:24:13, the word 'Selamat', and a battery level of 48%. On the left side, there is a vertical toolbar with icons for undo, redo, crop, delete, and a menu. On the right side, a 'Trim / Split' menu is open, showing options: 'Trim to left of playhead', 'Trim to right of playhead' (highlighted in red), 'Split at playhead', and 'Extract Audio'. At the bottom, a timeline shows a playhead at 00:00:10.7 and the video duration at 00:00:11.84. A small thumbnail of the video content is visible at the bottom left of the timeline area.
